Combining both modern and traditional architecture, Beijing is one of the oldest cities in the world, with a rich history dating back three millennia. With mountains surrounding the inland city on three sides, in addition to the old inner and outer city walls, Beijing was strategically poised and developed to be the residence of the emperor and thus was the perfect location for the imperial capital.

Your driver will be waiting at the airport/train station to take you to the cosy hotel in downtown.

Evening free at leisure.

For the first time visitors, we also offer optional guided tours in Beijing, on request.

Your train tickets will be delivered to your hotel in advance.

Several walls were being built from as early as the 7th century BC by ancient Chinese states.
