This train experience lasts for 2 days. Each train is equipped with a dining-car where you will be able to have a rest at any time. But nevertheless, we advise to get some food in advance.

Some also have Internet connections and cable television. Discovery Russia uses the best available trains for each leg of your train journey.

Staff is always available to offer passengers hot tea or coffee, make the beds, provide all necessary information en route and hand out periodicals and safety belts to passengers.
