## Day 2: Teriberka Tour & The Ocean

### Breakfast

Today we reach the shores of the Atlantic Ocean (Barents Sea), 75km drive. Fascinating Arctic nature is the best feature, although there are also plenty of historical and cultural highlights to visit.

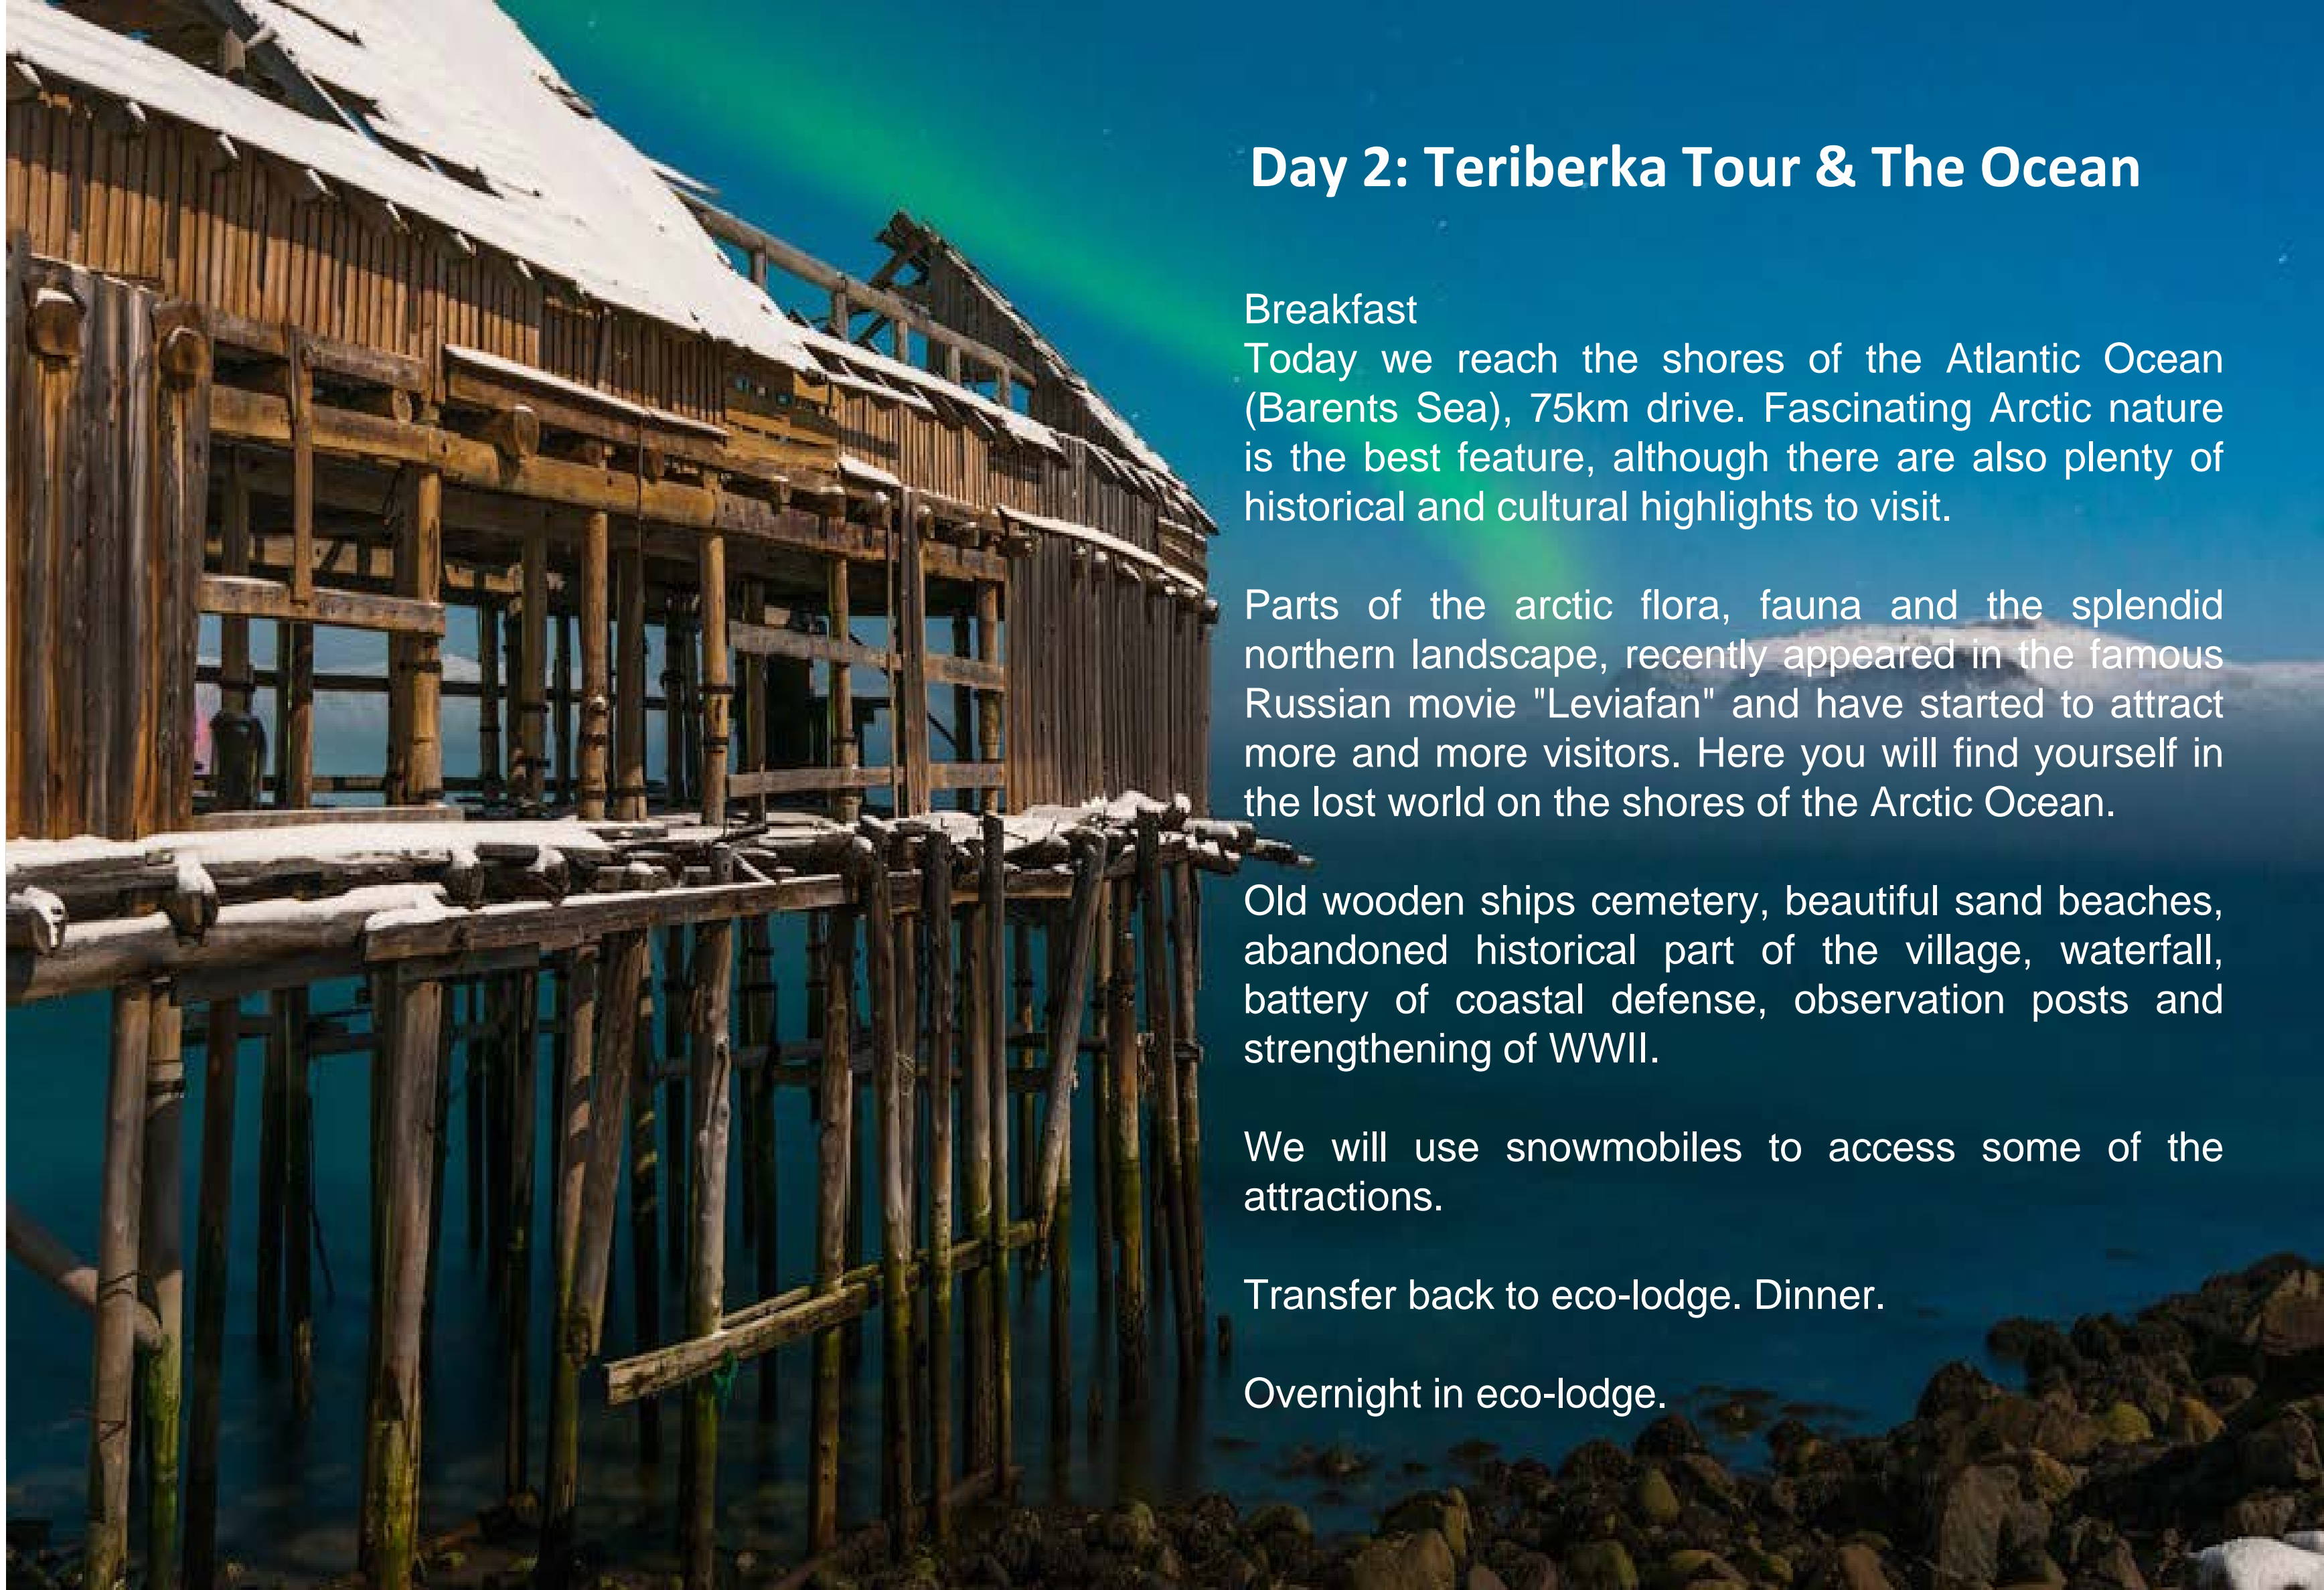

Parts of the arctic flora, fauna and the splendid northern landscape, recently appeared in the famous Russian movie "Leviathan" and have started to attract more and more visitors. Here you will find yourself in the lost world on the shores of the Arctic Ocean.

Old wooden ships cemetery, beautiful sand beaches, abandoned historical part of the village, waterfall, battery of coastal defense, observation posts and strengthening of WWII.

We will use snowmobiles to access some of the attractions.

Transfer back to eco-lodge. Dinner.

Overnight in eco-lodge.
