## Day 2: Teriberka Tour & The Ocean

Today we reach the shores of the Atlantic Ocean (Barents Sea), 75km drive. Fascinating Arctic nature is the best feature, although there are also plenty of historical and cultural highlights to visit.

Parts of the arctic flora, fauna and the splendid northern landscape, recently appeared in the famous Russian movie "Leviathan" and have started to attract more and more visitors. Here you will find yourself in the lost world on the shores of the Arctic Ocean.

Old wooden ships cemetery, beautiful sand beaches, abandoned historical part of the village, waterfall, battery of coastal defense, observation posts and strengthening of WWII.

Transfer back to eco-lodge. Dinner.

Overnight in eco-lodge.

## Day 4: Ice fishing and igloo

Breakfast.

Fans of fishing get the opportunity to join ice fishing, a popular northern type of entertainment. We will use fresh fish to prepare a tasty picnic. Enjoy day fun tour with activities in the middle of nowhere!

After lunch transfer to the Arctic glamping for a true Arctic experience! The igloo resort is located between Murmansk and the Arctic Ocean. The distance from Lovozero is about 200 km.

It is absolutely dark here and the city lights do not interfere at all with a comfortable Aurora viewing. There is a restaurant serving Arctic meals and great seafood, including fresh crab.

Dinner in arctic glamping.

Overnight in igloo.

## Day 5: City tour and Departure

### Breakfast

Return to Murmansk. Have a city tour with your guide.

Murmansk is the largest city in the world north of the Arctic Circle. Founded in 1915 as a supply port in World War I, it was a base for the British, French, and American expeditionary forces against the Bolsheviks in 1918.

Murmansk played an important role as a Russian trade link with the Allies during the Second World War II. Various supplies were brought to the city with the help of the Arctic convoys. Murmansk was heavily damaged during the war. It was restored in the beginning of the 1950ies.

We will visit the monument to the Defenders of the Polar Region (Alyosha), fragment of conning tower of nuclear submarine «Kursk» and the Lighthouse — a memorial dedicated to the memory of sailors who died in peacetime and enjoy a beautiful panoramic view to Murmansk and the Kola bay from viewpoint.

Transfer to the airport for departure flight. We recommend booking evening flight.
