Day 5: City tour and Departure

Breakfast

Return to Murmansk. Have a city tour with your guide. Murmansk is the largest city in the world north of the Arctic Circle. Founded in 1915 as a supply port in World War I, it was a base for the British, French, and American expeditionary forces against the Bolsheviks in 1918.

Murmansk played an important role as a Russian trade link with the Allies during the Second World War II. Various supplies were brought to the city with the help of the Arctic convoys. Murmansk was heavily damaged during the war. It was restored in the beginning of the 1950ies.

We will visit the monument to the Defenders of the Polar Region (Alyosha), fragment of conning tower of nuclear submarine «Kursk» and the Lighthouse — a memorial dedicated to the memory of sailors who died in peacetime and enjoy a beautiful panoramic view to Murmansk and the Kola bay from viewpoint.

Transfer to the airport for departure flight. We recommend booking evening flight.
