Morning: Walking trip to the Winter Palace and the Hermitage guided tour.

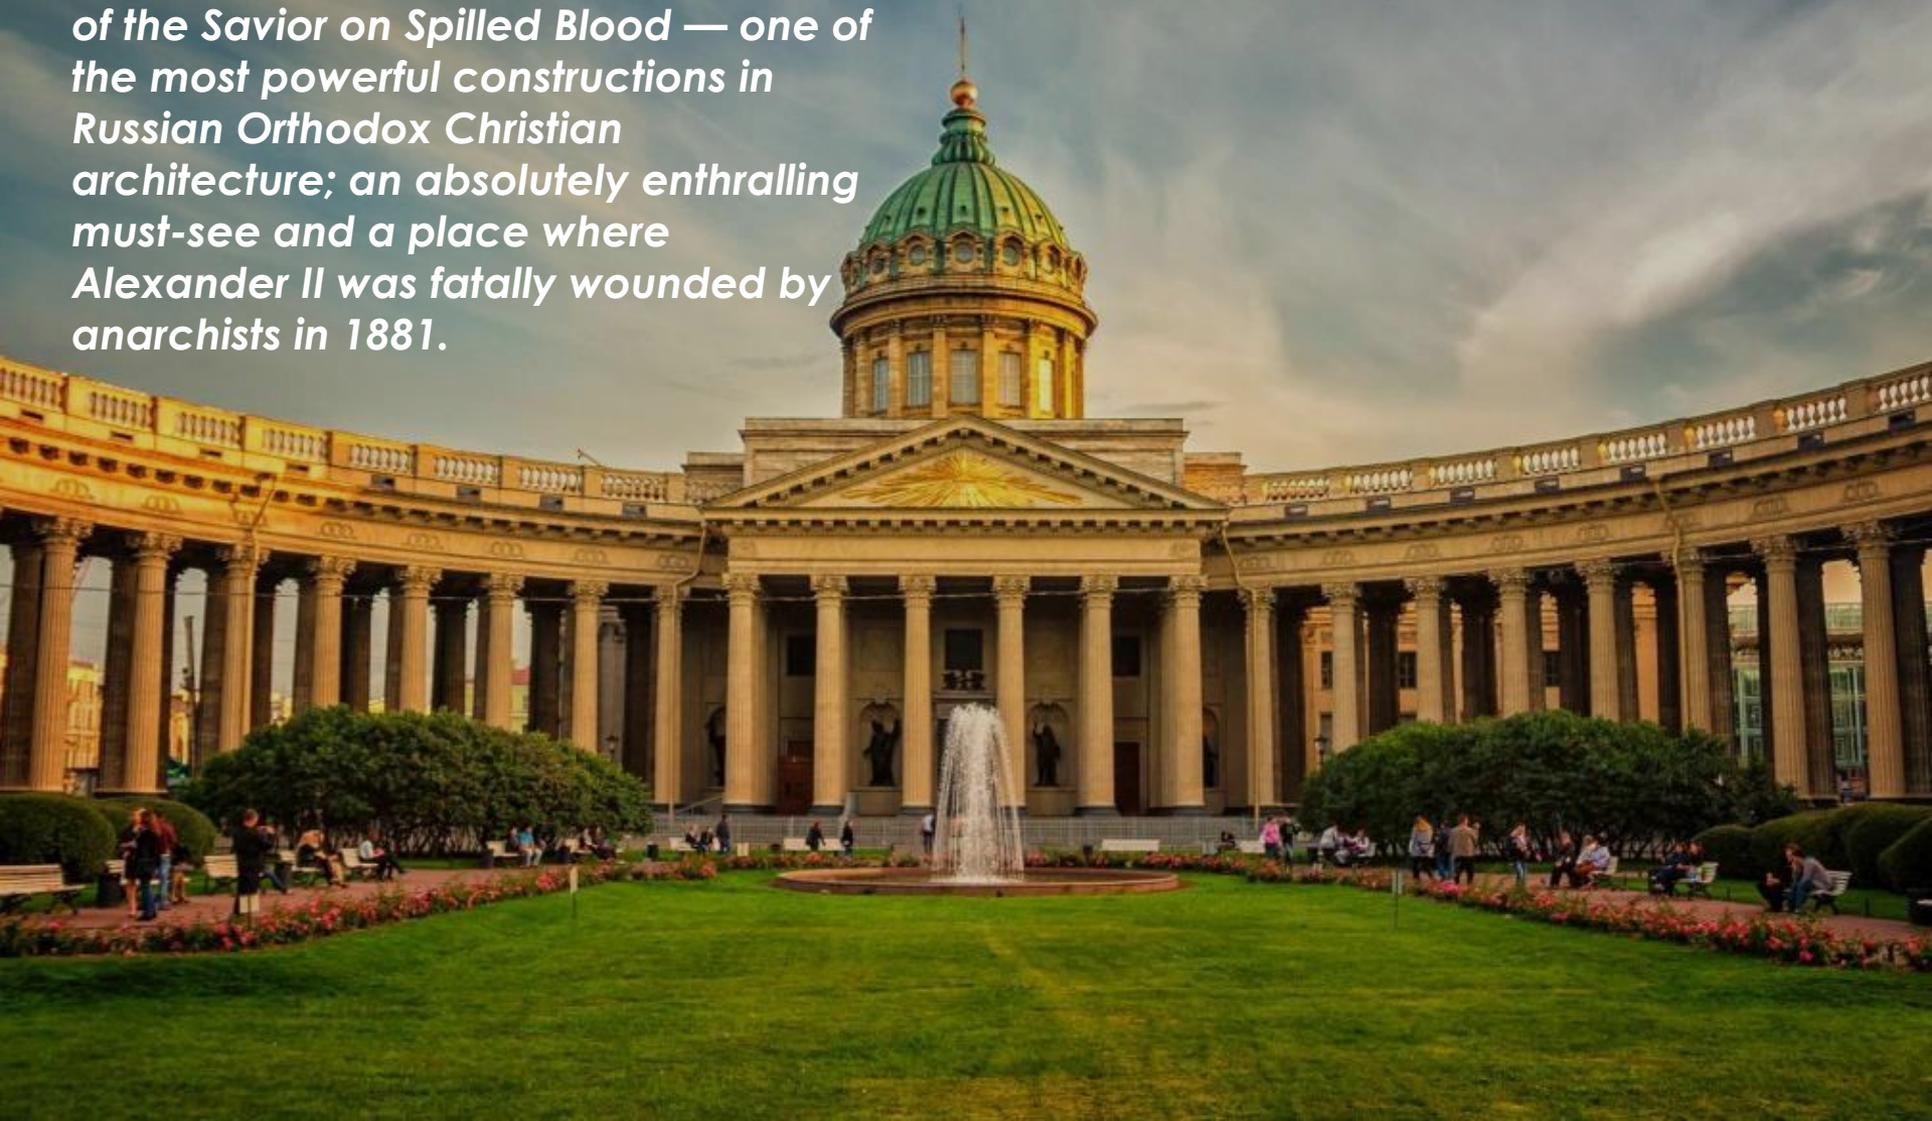

We force you to make it on foot. Why? Because there is no other way to understand and feel the city's soul than to explore its secret walking trails. Let us surprise you with unusual homes, architecture, perspectives and stunning views.

Today, you visit one of the most important sites in Russian history and heritage, the world-famous palace of the Hermitage, the former residence of the Royal Family.

The Hermitage today is one of the largest museums in the world, founded in 1764; its collection includes over 2.7 mln items. Our experienced guide will bring the museum to life to her knowledge.

Your guide will take you for a lunch in a local bistro, “stolovaya” where you can try traditional Russian food.

Then, take a tour to see the city's iconic landmark: Isaac Cathedral, Kazan Cathedral, and visit the Church of the Savior on Spilled Blood — one of the most powerful constructions in Russian Orthodox Christian architecture; an absolutely enthralling must-see and a place where Alexander II was fatally wounded by anarchists in 1881.

DAY 3: Discover St. Petersburg

- *Private guided tour to the Royal Palaces of Peterhof*
- *Afternoon: visit Faberge Museum*

Gardens and Parks are spread over more than four hundred hectares, and include thirty-one amazing museums and beautiful Versailles-style gardens. In summer, the Peterhof is especially good thanks to its famous fountains which run naturally.

Enjoy a romantic 2-hour cruise down the canals of St. Petersburg, and see some of the city's monuments on the banks of the River Neva, all beautifully illuminated for the evening. Experience the thrilling spectacle of the drawbridges in full operation.

The VDNKh (“Vystavka Dostizheniy Narodnogo Khozyaystva”—the “All-Russia Exhibition Centre”) complex was built to be an exhibition centre of the entire USSR.

Today it is a remarkable place to visit with lots of museums, amazing buildings, the modern art exhibition centre and the Museum of Cosmonautics.

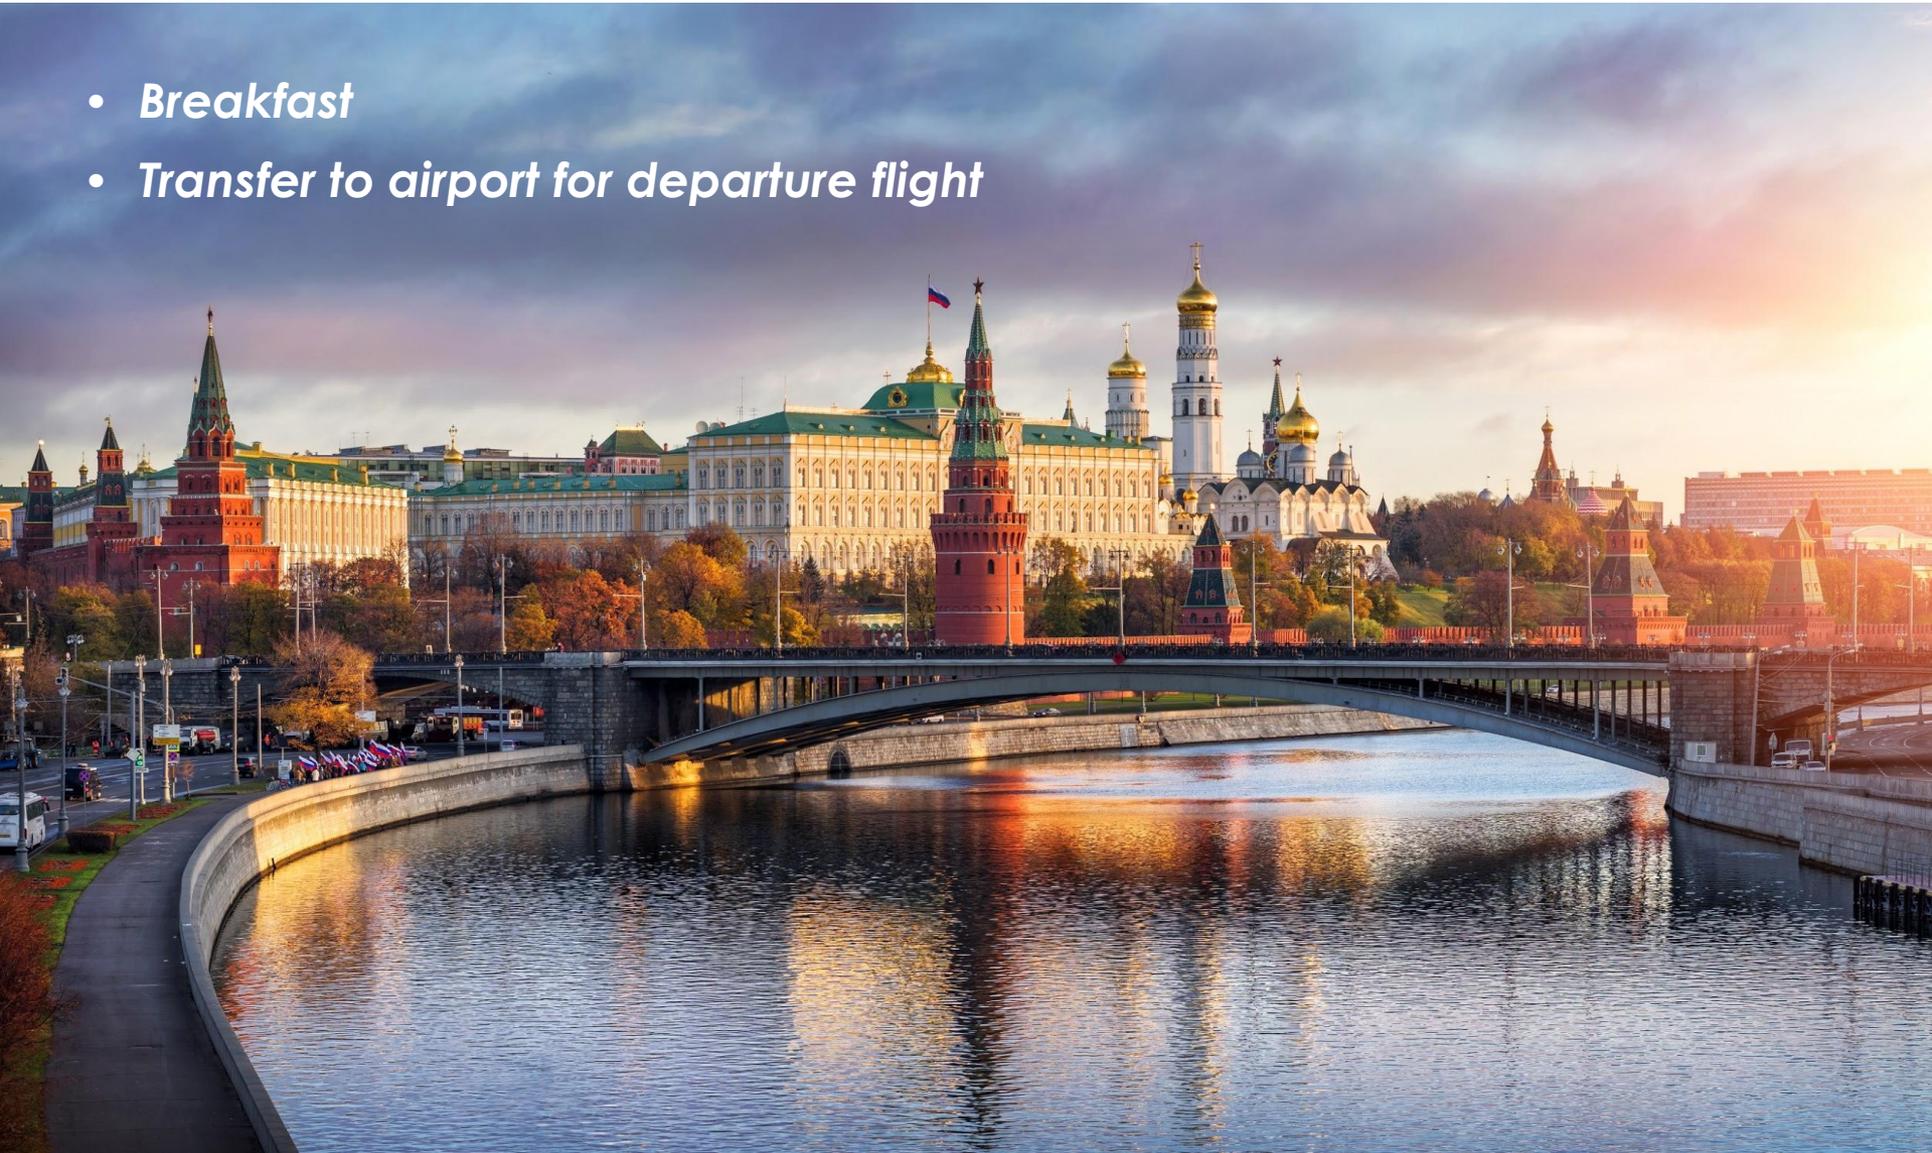

A remarkable feature of Stalin's era are the so-called "Stalin's skyscrapers", each built in different areas of the city, following common principles of design, but all very different from each other. One of them is the Ministry of Foreign Affairs, another is a hotel, a third the Moscow State University, etc! Every building has its own story—and its own famous residents.
