Day 1: Arrive at St. Petersburg

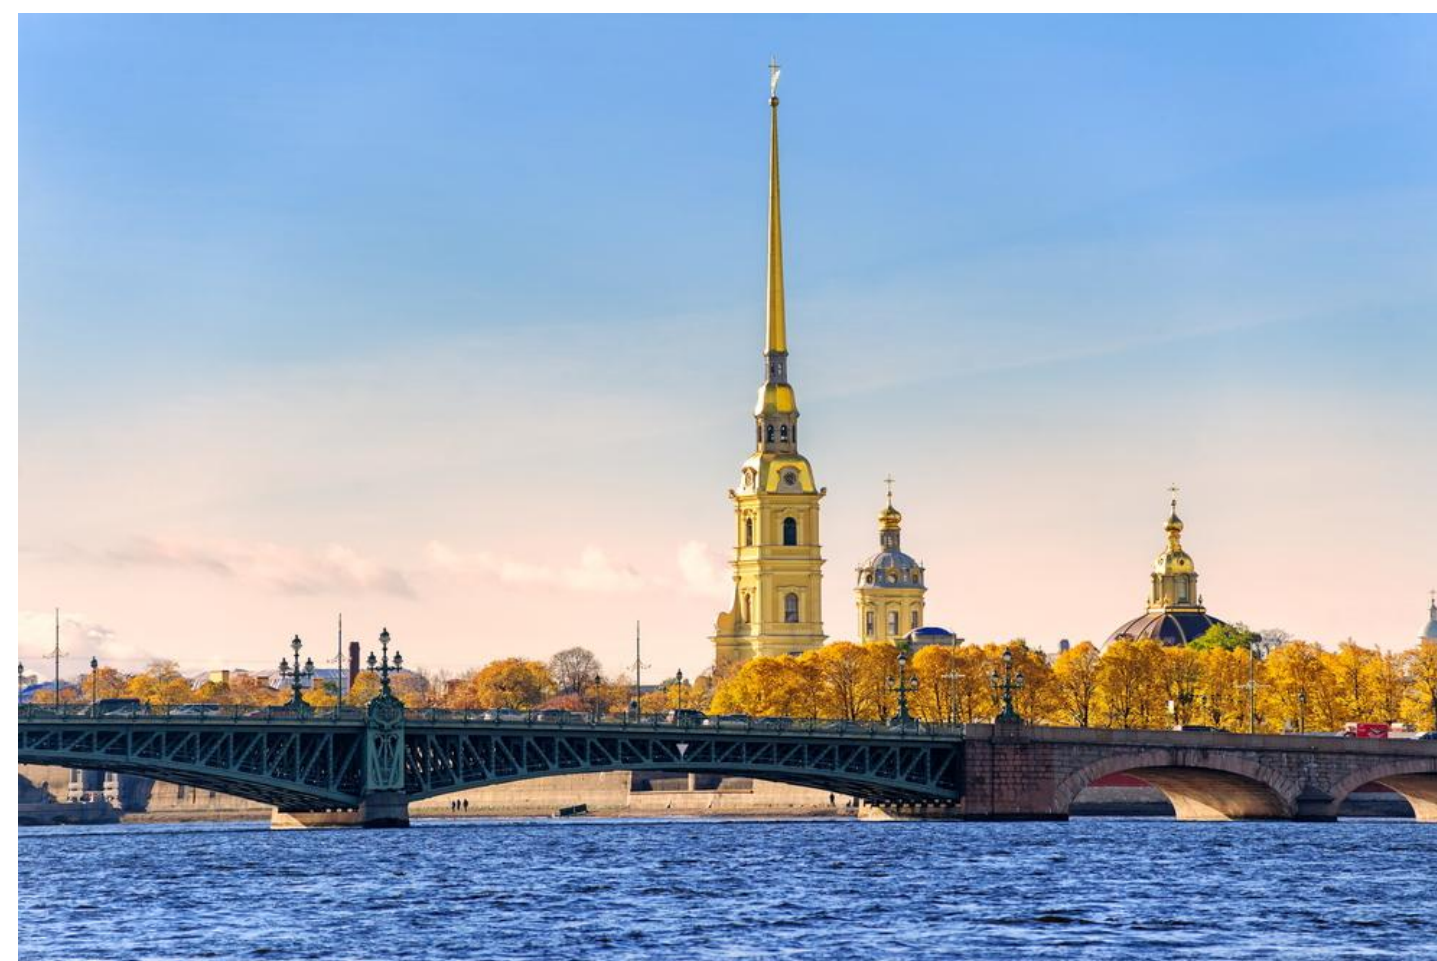

Welcome to Russia!

Founded by the Tsar Peter the Great on 27 May 1703, St Petersburg was planned and built as the capital of newly emerged Russian Empire. Today, it is arguably one of the most beautiful cities in Europe and UNESCO World Heritage Site.

Immerse yourself deep into rich Russian history, art and culture, Russian Revolution & Romanov Imperial legacy. The White Nights, luminous northern midsummer eves, are the summer weeks when the Venice of the North is sparkling like good champagne.

Your driver will be waiting at the airport/train station to take you to the hotel in downtown.

Afternoon at leisure.

Day 2: Petrozavodsk - Kizhi

Early wake up and transfer to the train station to board high-speed train Petrozavodsk and a boat to Kizhi Island in Lake Onega.

The Kizhi museum has been researching, preserving and popularizing culture of the native peoples of Karelia for more than 40 years and now includes 83 masterpieces of wooden architecture: old chapels and houses, windmills and granaries, threshing barns and racks for drying crops...

The gem of this collection is the 22 domed Church of the Transfiguration of Our Savior, 37 meters height. The Church of the Intercession of Holy Mary and the Bell-Tower located nearby emphasize the harmony and magnificence of the main Church.

Late evening, return boat ride and check-in at the Petrozavodsk hotel.

Veliky Novgorod (usually shortened to Novgorod) is a proud and beautiful city, billed as the 'Birthplace of Russia'. Historical center of the city is declared as a World Heritage Site by UNESCO and it's quite worth a visit.

Day 4: Veliky Novgorod

Start your tour to Veliky Novgorod, one of Russia's most ancient cities. It was Russia's first capital. No other Russian city can compete with Novgorod in the variety and age of its medieval monuments. In the 12th century, the Novgorod city-state controlled most of Europe's North-East, from today's Estonia to the Ural Mountains making it one of the largest states in medieval Europe.

During the tour, we will visit the Cathedral of St. Sophia, Yaroslav's Court, the St. George's Monastery, the Wooden Architecture Museum and the Novgorod Kremlin, or Detinets, as it was called in Novgorod in old times. It is the most ancient out of the preserved Kremlins in Russia (it is first mentioned in the chronicle of 1044). From this place, squads of Alexander Nevsky marched out to the battle with the Swedes.

In the evening, take a transfer to the train station to board the overnight train to Vladimir.

Day 5: Bogolyubovo & Vladimir

Start the day with the tour to Vladimir. Vladimir was one of the medieval capitals of Russia, with significant buildings surviving from the 12th century. Here you will visit the Dormition Cathedral and the architectural complex of the Cathedral of St. Dimitriy.

The tour continues to Bogolyubovo. During the tour we will visit the Church of the Nativity of the Virgin and the Church of the Intercession on the Nerl, UNESCO World Heritage Site, built in 1165 by Prince Andrey Bogolyubsky. It still remains a model of beauty and harmony.

Proceed to Yaroslavl for overnight.

Day 6: Yaroslavl & Rostov the Great

Start the day with the guided tour to Yaroslavl. Yaroslavl was the first Christian city on the Volga River. Apparently, there are plenty of decent cathedrals and churches here to visit, however, we feel it's better to skip and instead, visit the Residence of Maslenitsa. What is, or who is Maslenitsa? You will learn it there!

Proceed to Rostov the Great, one of the most ancient Russian cities. It was first mentioned in chronicles in 862, and the word 'the Great' was added to the official name of the city much later, in the 12th century. We visit outstanding Rostov Kremlin, which is probably not that old by Russian standards - it dates back to 17th century only - but is a truly magnificent fairy-tale town. We shall visit great local museum, one-of-a-kind place to get acquainted with this unique Russian art. For centuries, the most outstanding artists and jewelers of these land have kept secrets of the technology. The master class will allow you to create your own enamel miniatures.

Transfer to Suzdal and overnight.

Day 7: Suzdal

In Suzdal will try "medovukha" - famous Russian soft drink based on honey. Suzdal produces the very best one!

Also, we visit the Museum of Wooden Architecture and take part in traditional local crafts master-class. The museum keeps numerous examples of old wooden architecture and is considered to be a little corner of classical ancient Russia.

In the evening, take a transfer to Moscow.
