Day 12: Discover Central Russia

Early arrival at Nizhny Novgorod and guaranteed check-in. Time to refresh.

Today, we travel to now peaceful Gorodets settlement and tomorrow will explore Nizhny Novgorod and its cultural treasures.

As there was an abundance of woods around the town, becoming a woodcarver or carpenter was always considered the best option for a profession. Today Gorodets is known as the “town of masters” – a place where numerous crafts are plied. The famous Gorodets painting style, gold embroidery, wood carving, honey cake baking, pottery and basket weaving all still flourish here.

In a largely illiterate society, Gorodets has gained a reputation of “museum-town”. Russian Samovar tea ceremony with the town's speciality, “pryaniki” – hard honey-rich cakes, it is your quintessential Russian experience of the day!
