## Day 1: Vladimir & Suzdal

Transfer from Moscow. Today you will visit the famous Dormition Cathedral, part of a World Heritage Site. The interior was painted in the 12th century and then repainted by Andrei Rublev, one of the greatest medieval Russian painters of Orthodox icons and frescos.

Then we will drive to Suzdal, located 30 km away from Vladimir. We shall have lunch and try different tastes of the famous local drink “medovukha”. Suzdal produces the very best one!

Proceed to the Suzdal Kremlin, the oldest part of the Russian city of Suzdal, dating from the 10th century. Like other Russian Kremlins, it was originally a fortress or citadel and was the religious and administrative centre of the city. Nowadays, the Suzdal Kremlin is a museum with numerous exhibits dedicated to the history of Suzdal, old Russian painting, applied art and the treasures of the monasteries and churches.

Check-in at the hotel in Suzdal and overnight.

## Day 2: Rostov the Great

Founded in 862, fabulous Rostov the Great or Rostov Veliky (do not confuse it with Rostov-on-Don) is situated on the shores of the sparkling Lake Nero and is known as a tourist center of the famous Golden Ring itinerary. The scenic town with more than a thousand years of history boasts a huge number of cultural monuments and some of them are considered to be especially valuable cultural heritage sites.

Finist museum visit.

Rostov the Great is famous for the 17th century Kremlin with numerous churches and gorgeous views from the Kremlin walls. (Unlike in Moscow Kremlin, here you might walk along the fortified wall).

Take a transfer to Yaroslavl. Check-in at the hotel and overnight.

## Day 3: Yaroslavl & Sergiev Posad

Start the day with the guided tour to Yaroslavl visiting iconic cathedrals and churches.

Take a transfer to Sergiev Posad and enjoy a wonderful sightseeing tour around the most cherished treasures of Russian Christians, that includes a visit to the spiritual centre of Russian Orthodoxy - the Trinity Lavra of St. Sergius.

This religious and military complex represents an epitome of the growth of Russian architecture and contains some of that architecture's finest expressions. It exerted a profound influence on architecture in Russia and other parts of Eastern Europe.

The property is a serial one, including buildings outside the main monastic compound.

Return to Moscow late evening.
