## Day 1: Arrive at St. Petersburg

Welcome to St. Petersburg, the Venice of the North!

Founded by the Tsar Peter the Great on 27 May 1703, St Petersburg was planned and built as the capital of newly emerged Russian Empire. Today, it is arguably one of the most beautiful cities in Europe and UNESCO World Heritage Site.

Winter is a very special time to Russia and its people. You will see one of the most beautiful cities in the world covered with snow and ice — it feels like you're stepping into a famous Russian novel! See how the locals deal with cold and snow — and participate! Open-air skating, snowball play in the parks, tobogganing down hills, walking along the frozen river banks of the Neva — experience the winter in one of the Snow Empire's two capitals!

Your driver will be waiting at the airport/train station to take you to the hotel in downtown. Afternoon at leisure. Group tours enjoy welcome dinner & vodka tasting!

## Day 2: The Hermitage & Iconic Landmarks

Full-day (8 hours) guided tour in St. Petersburg.

Today, you visit one of the most important sites in Russian history and heritage, the world-famous Palace of the Hermitage. Our experienced guides will make it interesting to follow the tricky path of the centuries behind it and give a better understanding of sophisticated Russian history. This former residence of the Romanovs Royal Family, the Hermitage today is the second-largest art museum in the world; its collection includes over 2.7 mln items.

Then, take a tour to see the city's iconic landmark: Isaac Cathedral, Kazan Cathedral, Peter & Paul Fortress and Cathedral, and the Church of the Savior on Spilled Blood — one of the most powerful constructions in Russian Orthodox Christian architecture, and an enthralling must-see.

## Day 3: The Catherine Palace

Day (6 hours) guided tour to Pushkin/Tsarskoye Selo (30 km south of St. Petersburg).

A splendid example of Russian Baroque, Catherine Palace delights its visitors with sumptuous Great Hall and Golden Enfilade of staterooms, including the world-famous Amber Room. The exposition of the palace covers almost 300-years history of the former imperial summer residence.

A widely acknowledged masterpiece of garden and landscape art, Catherine Park includes variously styled pavilions, bridges, monuments and exotic garden structures that carry visitors away to other countries and bygone ages.

Today you will also enjoy Troika ride experience. Troika is a traditional harness driving combination using a team of three horses abreast and pulling a sleigh or a carriage.
