Day 1: Arrive St Petersburg

Welcome to St Petersburg, the Venice of the North!

Founded by the Tsar Peter the Great on the 27th of May 1703, St Petersburg was planned and built as the capital of newly emerged Russian Empire. Today, it is arguably one of the most beautiful cities in Europe and UNESCO World Heritage Site.

Winter is a very special time to Russia and its people. You will see one of the most beautiful cities in the world covered with snow and ice — it feels like you're stepping into a famous Russian novel! See how the locals deal with cold and snow — and participate! Open-air skating, snowball play in the parks, tobogganing down hills, walking along the frozen river banks of the Neva — experience the winter in one of the Snow Empire's two capitals!

Your driver will be waiting at the airport/train station to take you to the cosy hotel in downtown. Afternoon at leisure. Group tours enjoy Welcome Dinner with vodka tasting!

In fact, the Irkutsk historic centre is one huge open-air museum!

We visit Decembrist Museum to learn about the 30-year long exile in Siberia after the 1825 riot This exile influenced development of Siberia as many famous and noble names of that time were in attendance.
