Enjoy a guided visit to the Moscow Kremlin, and see all the treasures of the famous museums. "Kremlin" is not actually a specific place name, but means "fortress". The most well-known kremlin is of course the one in Moscow, at Red Square.

And Red Square is not actually Red because of the red bricks, but because "red" in the old Russian language meant "beautiful". And "Kremlin" meant a castle. So, there are many kremlins in Russia and in Moscow alone we will show you a few!

Get to know the city by taking a metro ride to the place of your first visit. The Metro is one of the fastest ways to get anywhere in this city, and to avoid traffic jams. Metro is the fastest ways to get anywhere in this city, and to avoid traffic jams.

If you want to see the Bolshoi, it's a good idea to book your tickets in advance!

Lets visit the adjoining Novodevichy cemetery, the final resting place of many Russian icons from the worlds of art, science and politics – including Boris Yeltsin, Nikita Khrushchev, Molotov, Stanislavski and Chekhov. The cemetery is beautifully located next to the lake said to have been the inspiration behind Tchaikovsky's Swan Lake ballet.

Today we will also use Moscow metro, the fastest and most reliable means of transport in this city. Some stations are like palaces and museums
