The complex includes the remains of the medieval city of Bolgar, which was the first capital of the Golden Horde in the 13th century. Bolgar is an early settlement of the Volga-Bolgars civilization that existed between the 7th and 15th centuries AD.

Meet and greet at Kazan railway station upon arrival.

Today we have a really busy day to explore the main sights of Kazan. First of all, enjoy the tour to UNESCO World Heritage Site, the Kremlin of Kazan with the professional English-speaking guide.

Our next point is the magnificent Kul Sharif Mosque. The impressive Qol-Şärif Mosque (also transliterated as Kul-Sharif) is the most important mosque in Tatarstan and one of the largest mosques in Europe.

Visit the famous Chak-chak museum, located within the historical Old Tatar Quarter complex. Inside the museum, in a homely atmosphere guests can drink fragrant tea from a samovar and taste Tatar desserts such as the traditional chak-chak, boursak and kak-tosh. Day 3 Sviyazhsk Island tour & Raifa monastery

Breakfast. Your guide will pick you up from the hotel at 9-10 am and take you to Sviyazhsk Island for a guided tour. Discover its unique history as the place has hardly changed over the last century.

With no fewer than 37 cultural monuments on the island, including two monasteries and seven churches, it's next to impossible to explore everything at this historic and scenic island, which is now UNESCO World Heritage Site.

The pearl of the collection is the Trinity Church – the only preserved wooden church in Sviyazhsk from the times of Ivan the Terrible (XVI century). It was built without a single nail and the axe marks made by the Yaroslavl carpenters can still be seen.

We also visit impressive Raifa monastery located 30 km from Kazan, in a pristine and protected forest and the lake's shores.
